## MORE OUTREACH THAN ANY OTHER

This XC model offers your customers versatility other booms in its size class can't. Its innovative design includes a working envelope ideal for the most extreme access jobs with a working height of 43.15 m (141 ft) and a horizontal reach of 27.43 m (90 ft). That's 3.05 m (10 ft) more of outreach than any other self-propelled boom on the market offers!
